DIARY NOTES

ADD/A (Colonel White) [REDACTED]

14 February 1952

25X1A

1. Met with George Meloon regarding our over-all personnel ceiling, the pool, etc., and I am satisfied that Personnel has taken appropriate action to reduce our entry on duty rate to about [REDACTED] per month. I also believe that we should continue to maintain our personnel pool. Whether it is under Personnel or Training is really not very important. However, I do feel that we should take clerical and stenographic personnel only and that we should not take professionals in the pool unless they are very exceptional cases.

2. Mr. Meloon advised me that Personnel has made a commitment to Colonel [REDACTED] of the Air Force as our Chief, Military Personnel Division, and that security clearance has been requested.

3. I requested Mr. Meloon to have Personnel prepare a staff study on efficiency ratings for military personnel on duty with CIA.

4. Contacted [REDACTED] regarding administrative problems [REDACTED] and expect to have a talk with him in the next day or two. He will be here until 1 March.

5. Reviewed Training's [REDACTED] T/O with Bill Peel and authorized him to publish it. It is exactly that which was approved by the PRC.
